At the same time, have quick and easy access to cash and your Milford Federal Savings and Loan Association Checking account 24 hours a day. All with one amazing card!

A new, easier way to shop.

- Pay for purchases anywhere you see the MasterCard® symbol – millions of locations around the world. Department stores, restaurants, supermarkets, hotels and more.
- Safer than carrying cash. Easier than writing checks. And unlike credit cards, there are no monthly bills or finance charges.

The same easy way to bank.

With your Milford Federal Savings and Loan Association MasterMoney Card, you'll be able to:

- Access your Milford Federal Savings and Loan Association Checking/NOW account, 24 hours a day, seven days a week.
- Get instant cash at hundreds of thousands of ATM locations displaying the NYCE® and CIRRUS® network symbols.
- Check your account balances.
- Make purchases at retailers wherever you see the NYCE®, CIRRUS® and Master Card® symbols.

Your MasterMoney Card is easy to use.

For purchases, it's as simple as using a credit card, but it works like a check. Here's why:

- You'll sign a sales slip just like a credit card. You don't need to enter a Personal Identification Number (PIN).
- The purchase amount is deducted from available funds (up to your daily card limit) in your Milford Federal Savings and Loan Association Checking/ NOW account and recorded on your monthly statement.

At ATMs, use your MasterMoney Card just as you would any ATM card.

What accounts can I access?

For ATM use, you will be able to access the Checking/NOW or Statement Savings accounts you designate on the application to the right. MasterMoney Card purchases will be deducted only from your Milford Federal Savings and Loan Association primary Checking/NOW account.

No fees for MasterMoney Card purchases.

There are no fees when you make MasterMoney Card purchases. Please consult our current fee schedule for more information.
