11. **Hover** over the check until the item is inside the green box
12. Then **tap** on your screen to capture the image

You will receive a notification that we have received your Mobile Deposit and that is in being processed, if there were no image issues or amount discrepancies.

The notification provides you with retention details and a transaction ID number in the event you need to call us about your deposit.

It also states our check clearing policy; all deposits should be available the 2<sup>nd</sup> day after the deposit was made.
